

2015 Central Clinical School Postgraduate Symposium

Call for oral and poster abstracts

All PhD and Masters students are invited to get involved in Central Clinical School's 2015 Annual Postgraduate Research Symposium and be a part of the most interactive, student run event of the year. It is for the students, of the students, by the students!

As a participant, you have the opportunity to explain your research to peers and colleagues, foster collaborations, networking and a greater awareness of the expertise and research being conducted at AMREP. You also have the chance to win up to \$500 for your presentation.

Deadlines and guidelines

Abstract submission: 26 October - 6 November

Registration for audience: Friday 13 November

Posters to be delivered by: Tuesday 17 November (to: Reception, Level 6, Alfred Centre)

Please note that your abstracts must be different if you would like to present both an oral and a poster. You must also register each presentation separately on the registration form.

Poster presentations are timed at 5 minutes each, with 3 minutes to present and 2 minutes for audience questions.

Oral presentations are timed at 10 minutes each, with 8 minutes to present and 2 minutes for audience questions.

Date: Wednesday 18 November 2015

Time: 10am-3pm (morning tea and lunch will be provided)

Venue: Level 5 lecture theatre, Alfred Centre

Enquiries: Laisa Tigarea - hdr.ccs@monash.edu.
