

**Integrative Medicine Education and Research (IMER) Group / AIMA
Meeting**

Professor George Lewith

Integrative Medicine Research in the UK & EU

Wednesday 15th February 2012

The Alfred Centre, 99 Commercial Rd, Prahran

Level 5, Lecture Theatre

6.30pm for 7.10pm start

Light refreshments will be provided by Blackmores

Professor George Lewith is a leading expert on Integrative Medicine Research in the UK and across the EU. Professor Lewith is an integrative medicine doctor and established the Centre for Complementary and Integrative Medicine in Southampton, UK.

He is a Professor of Health Research at Southampton University, and is the vice-chairman of The College of Medicine. He has published more than 200 primary research papers, which span a wide range of issues in relation to complementary medicine used as an adjunct to mainstream medicine.

Professor George Lewith will speak about his research work and the scientific evidence surrounding it.

He leads the internationally respected Integrated Medicine research group within the medical school's department of primary medical care.

Please **RSVP** by 7th February to Lisa Hose lisa.hose@monash.edu or 9903 0471
