WHAT IS SCHOOL READINESS SERVICE AND HOW WILL IT ASSIST MY CHILD?
YOUR CHILD IS ELIGIBLE IF...

- Your child is a preschooler and is due to enter prep next year.
- You have some concerns about their motor or sensory development.
- Your child is not currently accessing public or private occupational therapy services.
- Your child is not eligible for other early childhood intervention services.

COST:

- There is a small fee charged towards the cost of this service. Please note a cancellation policy of 48 hours applies.

SCHOOL READINESS SERVICE

WHAT IS MUCCY?
This service is facilitated by occupational therapy students at Monash University, under the supervision of registered paediatric occupational therapists.

WHAT WILL YOU BE OFFERED?
Your child will be offered an individual appointment at Monash University in Frankston for a school readiness developmental assessment, a summary report and a feedback session.
