

## **Immunisation Procedure for MBBS Students – Clayton & Bendigo 2012**

**□Step 1:** Make sure you have a Medicare or Overseas Student Health Cover (OSHC) card. Domestic students (including NZ citizens – with student ID card) go to your nearest Medicare Office: <http://www.medicareaustralia.gov.au/>

International Students must have OSHC as part of your enrolment.

**□Step 2:** Check your timetable on Allocate+ to see when you can fit in your first immunisation appointment (it will take approx. 30 mins).

**□Step 3:** Write your name next to an appointment time on the sheets on the wall of level 1 in building 15. Make sure you write it down or put a reminder in your mobile phone!

**□Step 4:** Complete these forms:

Form A (blue) *Review of Immunisation Status*

Form B (pink) *Patient Registration Form.*

*Optional – if you choose your own doctor (not the University Health Service) ask them to complete the Confirmation of Consultation form C and return to building 15 after your appointment.*

★Forms will be provided at the orientation session

**Hand both forms to reception of building 15 as soon as possible – before your appointment – no later than March 1.**

**□Step 5:** Complete these forms

Form D (yellow) *Vaccination & Infectious Diseases*

Form E (green) *Consent for Information Sharing*

**Take both forms to your appointment at the Health Service, along with your childhood vaccination statement and your Medicare Card or OSHC Card.**

**NOTE!!** If you miss any class time, ask the Health Service for a ***Proof of Appointment Slip*** and hand it in to reception of building 15 following your appointment.

**□Step 6:** Attend your follow up appointments as scheduled.

**□Step 7:** Complete this form:

Form F *Student Declaration* (download from here:  
<http://www.med.monash.edu.au/current/student-forms.html>)

**Submit, along with your Vaccination Statement (given to you at your final appointment) to reception of building 15.**
