

Suggested Ongoing Feedback and Assessment Form

Day #	Supervision Focus	Debriefing Notes	Actions / Tasks / Questions for next week
Day 1	Agency Orientation: Defining placement parameters; hours, dress code, key contacts. Start to develop learning goals and discuss content of the Learning Agreement. Start to discuss potential Population Health projects (these are different to the day- to-day participation in agency activities and programs).		
Day 2	Establishment of placement goals, associated activities and a weekly activity plan. Complete the Learning Agreement. Continue to discuss potential Population Health projects.		
Day 3	Review; Is everything clear? Are there any questions? What additional resources support are needed if any? Has there been an agreement regarding the Population Health project?		

Day #	Supervision Focus	Debriefing Notes	Actions / Tasks / Questions for next week
