

The ACT-NOW Journal Club

Northern region

The Northern Regional Autism Coordination Team (ReACT) is starting a quarterly Journal Club for Early Childhood Intervention Clinicians interested in keeping abreast of current autism research and issues.

Why have a Journal Club?

Journal clubs offer the opportunity for professionals to develop their critical appraisal skills. In a journal club discussion, articles are evaluated as to their quality and also whether and how the findings can be applied to practice. Being a member of a journal club encourages professionals to set time aside to read articles, keep abreast of current research and issues and gain evidence for best practice.

Date: Monday 18th May 2009

Time: 4.00 - 4.45 pm (Following the ReACT meeting)

You can also attend the meeting, or just join us for the Journal Club

Venue: Department of Education & Early Childhood Development
679 - 685 High Street, Preston

RSVP: Rebecca Ward Rebecca.Ward@dhs.vic.gov.au
