

**Our work with young children with
Autism Spectrum Disorders and their families is
often complex**

**Understanding and helping:
A series of workshops for ECIS professionals**
(ECIS, SCS, PSFOs, MCHN, ISFs, Community Health...)

**These sessions will be based on recent research findings.
Case studies will be used to illustrate evidence based practice.**

PRESENTERS

Dr. Avril Brereton & Ms. Kerry Bull

Monash University, Centre for Developmental Psychiatry & Psychology

Places are limited to two professionals from each organisation to allow for
interactive workshops.

Please RSVP as soon as possible and specify which session and venue you
will be attending to ensure a place.
