Dear International Students,

Congratulations! Monash University Medical Undergraduates' Society (MUMUS) welcomes you as you take the first step to the ride of your lives.

Who we are: Pre-clinical International Representatives for MUMUS 2010

What we do:

- We are here to represent you
- Facilitate your transition into Monash Medicine
- Organise awesome events for you

What to look out for during Orientation week:

<table>
<thead>
<tr>
<th>Event: International Students Forum</th>
<th>Venue: TBA (Refer to O-Week Time table)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Date: 23 February (Tuesday)</td>
<td>Time: 10am-11am (Right before MedFest!)</td>
</tr>
</tbody>
</table>

Don’t miss this opportunity to meet your future classmates and seniors who were once in your position. This event will feature:

- An introduction to the course (from an international student’s perspective)
- 3 guest speakers who will shed light on what life as a first year medical student is like
- Q&A session where you can get valuable advice from your seniors.

In the meantime, get a Facebook account if you have not, and join: Monash Medicine International Students (Starting 2010) Facebook group! http://www.facebook.com/group.php?gid=172495952495

You can meet other friends from your country and contact your fellow helpful seniors there for advice!

We look forward to meeting you in person!

Sincerely,

Sherman and Roy
